

LIST OF PHOTOGRAPHS AND ILLUSTRATIONS

1. Cover of the first Hanover College Catalog, January, 1833 (p. 4)
2. View of the Ohio River from the "Point." (page 10)
3. Main road from Madison to Hanover (p. 10)
4. Crowe Falls near campus, 1927. (p. 10)
5. Crowe Falls in Winter, 1899. (p. 13)
6. Chain-Mill Falls in Winter, circa 1900. (p. 13)
7. Crowe Falls, circa 1900. (p. 13)
8. Delta Epsilon meeting in Goodrich Hall, 1956. (p. 28)
9. Meeting of the Science Club, 1938, in Old Science Hall. (p. 28)
10. Chemistry Lab set up outside Main Building, 1893. (p. 44)
11. Chemistry Lab in Old Science Hall, circa 1904. (p. 44)
12. Aerial view of Hanover campus on the "Point," circa 1940. (p. 49)
13. Fossil hunt at Clifty Falls, circa 1883. (p. 49)
14. Zoology excursion to Mill Race at Bundy's Farm, Mitchell, circa 1900. (p. 51)
15. Geology Field Study class, Ghost Ranch, New Mexico, 1965. (p. 51)
16. Physics Lab in Old Science Hall, 1940. (p. 55)
17. Zoology Lab in Goodrich Hall, circa 1964. (p. 55)
18. Seminary Building, 1829-1837. (p. 65)
19. Main Building (Old Classic Hall), 1851-1941. (p. 65)
20. Hanover College Observatory, 1889-1974. (p. 68)
21. Old Science Hall (First Building), 1897-1919. (p. 68)
22. Chemistry Lab in Old Science Hall, circa 1937. (p. 69)
23. Louis Huber '38, at the Warner and Swasy Telescope. (p. 69)
24. Brice Museum in Old Science Hall, circa 1912. (p. 70)
25. Brice Museum in Old Science Hall, 1915. (p. 70)
26. Front Entrance to the Science Center. (p. 71)
27. Fossil display, south wall of Science Center Lobby. (p. 72)
28. Mineral display and Canter artifact collection, north wall of Science Center Lobby. (p. 72)
29. Fossil display in Lobby of the Science Center. (p. 73)
30. Display of 75 feet of rock core drilled on the "Point." (p. 73)
31. Creek scroll: Oil painting by Rick Bennett. (p. 73)
32. Museum displays surrounding Goodrich first floor lounge. (p. 74)
33. Andrew Harvey Young science equipment. (p. 74)
34. Professor Heyo Van Iten operates the Scanning Electron Microscope. (p. 75)
35. Second floor east lounge and fossil display. (p. 75)
36. Goose, ducks, and beaver specimens. (p. 76)
37. Otters and great blue heron specimens. (p. 76)
38. Second floor west lounge and "fish wall." (p. 76)
39. Mineral display in the Lobby of the Science Center. (p. 77)
40. Analytical Chemistry Laboratory. (p. 77)
41. J. Dan Webster Biodiversity Laboratory. (p. 77)
42. Bobcat display. (p. 78)

43. Vertebrate fossil display. (p. 78)
44. Psychology Department Faculty, 2007. (p. 79)
45. Neuropsychology Lab. (p. 79)
46. Professor Ken Bevis and geology students. (p. 80)
47. Professor Pete Worcester demonstrates the crystal structure of a mineral. (p. 80)
48. Professor Steve Boone instructs students in an introductory chemistry lab. (p. 80)
49. Gabe Caldwell, Erin Ballenger, and Danielle Hazelbaker study vertebrate skeletons. (p. 80)
50. Jeff Goodwin '07, releases marked Asian water snakes in Thailand, 1996. (p. 81)
51. Professor Paul MacMillan instructs students in biology lab. (p. 81)
52. Professor Dan Webster leads an early morning ornithology field trip. (p. 81)
53. Horseshoe Falls in Happy Valley. (p. 82)
54. Professor Darrin Rubino instructs Cassie Morris how to count tree rings. (p. 82)
55. Tropical Biology class at Big Rock Falls, Belize. (p. 82)
56. Tropical Biology class, Belize. (p. 83)
57. Geology Club Backpacking Trip, Grand Canyon National Park, Arizona, 2006. (p. 83)
58. Glenn Culbertson Observatory, 1992-present, and Research Observatory, 2002-present. (p. 84)
59. Spelunking in Wilson Cave. (p. 84)
60. Geology students at the Black Hills Institute, Hill City, South Dakota. (p. 85)
61. Titanotherium skull on display in the Science Center. (p. 85)
62. Number of Science majors by department, 1951-2006. (p. 86)
63. Number of Science majors and non-science majors, 1951-2006. (p. 86)
64. Goodrich Hall, 1947-present. (p. 88)
65. Science Hall, 1975-2001. (p. 88)
66. "Senior" Science Faculty, 1948. (p. 131)
67. Science Faculty, 1954. (p. 131)
68. Cartoon of Andrew Harvey Young in 1908 Revonah. (p. 136)
69. Page from Glenn Culbertson's 1886 Chemistry lab notebook. (p. 136)
70. Harvey Wiley in Academic attire. (p. 153)
71. Harvey Wiley at work in his laboratory. (p. 153)
72. Wiley Hall. (p. 153)
73. 1956 Harvey W. Wiley U.S. Postage Stamp. (p. 154)
74. Harvey Wiley weighs food for the "Poison Squad." (p. 154)
75. Front and reverse sides of Harvey Wiley medal. (p. 154)
76. Harvey Wiley and Stanley Coulter at the Wiley homestead, 1927. (p. 164)
77. Page from Field Notebook, 1871. (p. 168)

TABLE

1. Master of Arts Degrees Conferred by Hanover College (p. 35)
