

Nominate alumni for achievement awards!

The Hanover College Alumni Association Board of Directors seeks nominations for Alumni Achievement Awards. The awards will be conferred during Homecoming activities. They are given to Hanoverians who have distinguished themselves in their profession, service to their community, or service to Hanover College.

Nominees should be outstanding in their qualifications in one or more of these areas. A committee of the Alumni Association Board of Directors selects the recipients of these awards each year.

If you know of a deserving alumnus or alumna, fill out the form below and indicate the area(s) for which award the person is being nominated. Send it to the Alumni Association president below. The Office of Alumni Relations will send you a form requesting additional information on your nominee.
