Hanover President Sue DeWine invites you to attend a networking event September 17 at the Canterbury Hotel. The primary focus of the evening will be on networking with Hanover alumni while sharing experiences about life at Hanover with prospective students from the Indianapolis area. Hanover's Admission Office will invite prospective students to attend this event to give them the opportunity to meet Hanover College alumni in a casual atmosphere. You can make a difference by attending this event! Approximately 40% of prospective students who attended an alumni reception in Indianapolis last year will be freshmen at Hanover this fall!
