Distinguished Young Alumni Awards

The Hanover College Alumni Association Board of Directors seeks nominations for the Distinguished Young Alumni Awards. The awards will be conferred during the spring Alumni Awards Brunch. They are given to young (under age 40) Hanoverians who have distinguished themselves in their profession, services to their community, or service to Hanover College.

Nominees should be outstanding in their qualifications in one or more of these areas. A committee of the Alumni Association Board of Directors selects the recipients of these awards each year.

If you know of a deserving alumnus or alumna, fill out the form below and indicate the area(s) for which award the person is being nominated and send it to the Alumni Association below. The Office of Alumni Relations will send you a form requesting additional information on your nominee.
