

Student Life Services While Off-Campus

Health Services:

Once you leave campus, you will not be able return to pick up medicines or access on campus Health Services. If you require healthcare while off campus, visit your primary care provider. If you are diagnosed with COVID-19, please report this diagnosis to Health Services.

Office of Multicultural Affairs:

The Office of Multicultural Affairs will provide support and advocacy services to multicultural students by way of telephone, skype, zoom or email. We will assist you in connecting with appropriate campus resources, including CART, counseling and health services, and the Gladish Learning Center. Please monitor the OSL newsletter and your email for updated information and announcements regarding multicultural and diversity programming. As we strive to become the hub for multicultural understanding and appreciation at Hanover College, please feel free to share any ideas that you may have for creating online diversity community groups and events.

Residence Life and Housing:

Housing Information Sessions and Selection will continue in a virtual environment. Applications and forms will be available electronically. Below are links to join all Housing Selection Information Sessions via webinar on Zoom this week. Please click the link to join at the time of the session. These can be viewed on your computer or via smart phone by downloading the Zoom App. Please email [Lindsay Faulstick](mailto:Lindsay.Faulstick) if you have any questions.

- **Wednesday at 8:00pm**

Chaplain Services

If you find that you require a confidential, non-judging listening ear, the Chaplain's Office can set up 1-2 Zoom or phone sessions with you from your home, regardless of your religious affiliation or background. This is not the same as therapy, but is a resource for emotional and spiritual care during this extraordinary time. After 1-2 sessions, it may be suggested that you email Counseling Services for a therapeutic referral in your area. Email knott@hanover.edu.

Counseling Services:

Counselors are available to provide consultation and referrals throughout the Winter term. While counselors are not able to provide therapy on the phone, we will be able to provide brief support and help make connections to resources. Counselors will be accessible Monday-Friday, 8am – 5pm.

- To reach Catherine Le Saux: 812-866-7399 or email lesaux@hanover.edu,
- To reach Sara Crafton: 812-866-7074 or email crafton@hanover.edu

Additional Information:

- The CDC has released an article addressing how to cope with the stress of Covid-19. Please review the [CDC's article](#) for more detailed information. The National Suicide Prevention Lifeline at 1-800-273-8255
- Crisis Text Line Text: 741741 (text anywhere in the USA to talk with a trained Crisis Counselor)
- National Domestic Violence Hotline 1-800-799-7233 <https://www.thehotline.org/>
- Call 911 for any mental health emergency or go to your local emergency room.

Greek Life:

- Greek rosters are due to Lindsay Faulstick ASAP to guarantee the Housing Selection Process can take place.
- Panhellenic and IFC may choose to meet virtually throughout the rest of the term. Individual chapters may also consider this option. We can set up Zoom sessions to facilitate these meetings.
- We are going forward with Greek Awards. Please submit your Chapter of Excellence and Member of Year nominations to Casey or Theresa.

Student Organizations:

- There is a current spending freeze on Student Org accounts/budgets.
- Student orgs seeking an exemption for a specific transaction, we ask that you send an e-mail to both Michelle Rubino and me. We will confer as needed. There will be no approvals granted for t-shirt orders, promotional items, or any expense that does not have an obvious relation to the mission and essential functions of your club or organization. Also, we are legally unable to make any donation of college funds to charities and non-profit organizations.
- We strongly encourage student orgs to electronically conduct final meetings this year to cover pressing business matters, specifically officer elections for next year and transition planning for club leaders.
- Once you conduct your electronic meetings, please update MyHanover with your updated executive board information. Please contact D.J. if you have questions about how to do this.
- Your Student Senate Rep will receive ongoing communication from the Student Senate Executive Board. Please pay attention to emails from Jakeb Watts and Jordan McElroy in the interim for needed online voting and other senate related business.

Withrow Activities Center:

While you are away, The WAC will undergo a deep clean of all furniture, linens and equipment. We will take the summer to touch up paint, replenish supplies, reorganize and finish creating the equipment check out desk. We will need to hire at least three new student workers for the fall. The WAC managers will get the job descriptions updated and posted to the Student job board. We will try to host virtual interviews over the summer.

Student Activities:

We are developing virtual events for students after Spring Break. These events will include opportunities for students to connect with one another while staying connected to campus. We will send out the calendar of events after Spring Break. Please share any event ideas you have with Theresa.

Campus Safety:

Campus Safety will continue to work 24/7 monitoring buildings and grounds. Officers will make regular patrols of campus buildings to make sure all spaces are safe and secure.

As part of Severe Weather Preparedness Week, on Wednesday March 18, 2020, a test of the Emergency Alert System will sound sometime between 10:00-10:30 a.m. EDT on commercial radio, television networks and all hazards radios. The Hanover College sirens will be activated, and RAVE alerts will be sent.

Important - while the drill will be sent using live TOR EAS coding (Tornado Warning), it is only a test, and will be postponed to Thursday, March 19 if weather conditions warrant.

Need to make a virtual appointment?

- Nicole Brown (Replace ID, pay fines) [Schedule a phone meeting with Nicole](#)
