Hanover College *FIRST*® Scholarship

Our rigorous interdisciplinary academic program with [36 majors](#) and the option to design your own major attracts the best and the brightest from across the region and beyond. Hanover is well known for the strength of its science and math majors, including engineering and a new data science offering in 2023. Regardless of your major, we are eager to see you bring your talent and skill set to our student body, and especially those who have demonstrated the learning, creativity, and critical thinking that a program like *FIRST* encourages.

Ten \$2000 scholarships renewable annually for four years regardless of major.
