## Summer Academy 2026 Pick-Up Day - Friday, June 12

*Showcase Presentations from 9 to 11:00 a.m. at  
various locations, depending on institute (TBD)*

Join us for showcase presentations from 9 to 11:00 a.m. (EST)! During this time, parents and guardians are invited to attend final presentations from each academy, where students will share more about what they've learned.

Beginning at 11 a.m., following final presentations, we'll move to the Withrow Activity Center inside the Brown Campus Center for light refreshments, a slideshow of images from the week's events, awards, and an opportunity to speak with an admission counselor!

From there, you may begin check out in the Campus Center lobby for check out.

### Let us know your thoughts

In the days following the end of Summer Academy, parents/guardians will receive an exit survey. Please remember to complete this as we work to continuously improve the experience for all of our attendees and their families.
